

# THE ANNUNCIATION

The Fifth Sunday of Easter

ST. MARY'S EPISCOPAL CHURCH

April 24, 2016

## A Weekly Reflection

About two months ago I was asked to attend a meeting to start the planning of our Discernment Process and found myself wondering what in the world I was doing in a room with the leaders of the church. As I am sure many of you do, I often see myself as just one of God's sheep following the crowd to the safety of a Sunday service led by the clergy or attending an event coordinated by other people from the church. It's difficult for me to look at myself in the mirror and realize that I too am called to step up and take on bigger things in our Parish Community.

Life is full of commitments –the family and work life balancing act we all do each week – while church often falls to the background of our minds. St. Mary's is something that I feel is always going to be there for me when I need it and not something I feel personally responsible for taking care of. This Discernment Process has opened my eyes to the fact that we all must come together to make sure this parish community is taken care of so that our future will be what we hope and pray for it to be.

Stewardship is so much more than just money –however, we often don't worry about that aspect and assume the church will keep running along and providing the services and experiences we all enjoy. We volunteer our time in the activities of the church and we spread our talents around the parish and we feel that our support has been given. For this period of discernment we are looking inside of our hearts at our faith in God and asking him to guide us to what we will do for the years to come to take care of our parish so that it not only survives but THRIVES!

Please ask yourself: What can I do to make a difference for the future of St. Mary's? What can we all do to be more involved in the emergence of our new identity? What calls us to come to this place and give of ourselves and of our fortune? As I think about my calendar and how I spend my time, I also think about my abundance and what I feel is important to share with this church. St. Mary's has given so much to me and my children and my family. I am emotionally tied to this place, and I hope that my family will grow up and old within these walls. If you feel the same way, then I know you will take this time to pray on how stewardship can be more of a focus in your life so that we can become . . . .(continued on page 4)

### Nursery

We have nursery available for infants through 4 year olds during both the 9:00 and 11:00 services as well as during the 10:00 Education Hour. The nursery is located in the Preschool and Sunday School Building. Our nursery leader, Meg Zehmer, will be happy to help you get your child settled into the nursery.

### Worship bags

We provide worship bags that contain a coloring page based on the Gospel reading of the day. It also has a wonderful parent-focused message on the back to help you talk about the day's reading with your child. Worship bags are located in wood bins near the entrances to the church.

## WHERE IS GOD CALLING ST. MARY'S?

Upon the announcement last summer of John Miller's retirement as Rector of St. Mary's, the Vestry called for a period of discernment and self-study during the transition from John's leadership. In consultation with our Diocese, that **period of prayerful discerning** has begun—appropriately, during the Easter season, which seems a natural time for reflection, introspection and clarification of our mission and purpose to determine “Where is God calling St. Mary's?” At the request of the Vestry, Parishioner Tim O'Shea is organizing and leading the discernment process, which is divided into five focus areas: **Fellowship, Outreach, Spiritual Formation and Education, Stewardship, and Worship**, each with a committee that will seek input from all interested parishioners. Priest Associate Bob Hetherington serves as chaplain to the discernment process. Our hope is to clearly hear God's voice, enabling us to reestablish the mission and short-term priorities of the church, and ultimately to provide the basis to consider and call our permanent rector. For comments, information, and questions, email [discernment@stmarysgoochland.org](mailto:discernment@stmarysgoochland.org).

Scheduled meetings of the committees are listed on the calendar. The committees consist of the following parishioners. Please feel free to contact any of them:

Whether you desire to be confirmed in the Episcopal Church or are new to the Episcopal Church and just want to know more, this class is for you. Many long-time Episcopalians find it an interesting and helpful refresher course, as well. ## CHILDREN, YOUTH, AND FAMILIES

Come join us for this special morning.

**Especially for parents.** We will be concluding our study of *The Blessing of the Skinned Knee* by Wendy Mogel this week. If you haven't had a chance to come before today, you are still welcome. There have been great discussions about the challenges of parenting in the last few weeks. We will spend part of our time discussing what new books and topics that we are interested in pursuing for the coming school year as well. Please contact Amelia McDaniel at [amcdaniel@stmarysgoochland.org](mailto:amcdaniel@stmarysgoochland.org) if you have ideas or suggestions about future parenting topics you are interested in.

Contact Pat Hughes at [phughes316@gmail.com](mailto:phughes316@gmail.com) with questions.

Would you be interested in serving as a reader, usher, or chalice bearer? Or might your family be interested in bringing up the bread and wine forward for communion? Learn more about **participating** and **sign up** at [stmarysgoochland.org/serve](http://stmarysgoochland.org/serve) or by emailing Associate Rector Emily Rowell Brown at [ebrown@stmarysgoochland.org](mailto:ebrown@stmarysgoochland.org).
